

Important Notice for All Visitors

New Visitor Management System at PMSD

Pocono Mountain School District is committed to keeping our students safe. As part of our ongoing efforts to enhance school security, we are implementing a new visitor management system.

All adults must either present a valid government-issued photo ID or have their photo taken at the self check-in kiosk when visiting the school or picking up students during school hours.

Additionally, visitors will be asked to provide a phone number to receive important safety alerts during their time in the building.

Please note:

- The phone number is used for that day only and will not carry over to future visits.
- You will be required to provide a phone number each time you visit the school.

Thank you for your cooperation and support in helping us maintain a safe learning environment for all students.
