## Use of Software Consent Form

The Pocono Mountain School District is committed to the online safety and privacy of its students. There is a multitude of technology-based resources and applications available to the District's students. While allowing access to these resources, we also want to balance the protection of your child's privacy and personal information in compliance with the Children's Online Privacy Protection Rule (COPPA).

The list of software approved for use by our teachers be found on the PMSD Website at [www.pmsd.org/domain/784](http://www.pmsd.org/domain/784). Each site provides a privacy policy describing how the tool collects and utilizes student data. We encourage you to visit each resource and review its privacy policy. As the District evaluates resources that meet our privacy policies, we will continue to update the list. We encourage you to visit this page for the most updated information.

If you have any other comments, concerns, or questions, please reach out to your child's principal.
