### **Swiftwater Elementary Center supports East Mini-Thon:**

Swiftwater Elementary Center is proud to share that in 2019, SEC started their Mini-Mini THON. This year, the staff and students participated in a dress up day to kick off the Quarters for the Kids drive. On Monday, May 6th students and staff members dressed in Hawaiian themed clothes to mirror the theme that the East High School used for their Mini Thon. During the week, students could vote with quarters for the staff members to get a whipped cream

pie in the face. The staff members with the three heaviest containers were Ms. Desiree Brown, Mr. Jared Krehely, and Officer Joe Surovcik. Each of these volunteers got a whipped cream pie in the face by a very special SEC kindergarten student.

This year SEC raised \$1,434.70 that was donated to the East High School's Mini Thon. In six years, SEC has raised an incredible \$7,410.53. Thank you to the SEC School Community.
